

**2019 Industry-University Collaboration Awards
Sample Application (apply via online portal) for the Ashley Goldsworthy
Award for Individual Leadership in Collaboration**

Your application has been selected as one of the top 60 from over 150 excellent Expressions of Interest; the highest response in BHERT's history. We are now looking for you to develop your Expression of Interest into a 6-8 page application, for assessment by our eminent BHERT Awards Panel.

By submitting your application, you are giving BHERT permission to use media files and text provided in this application for BHERT Awards promotional purposes. If your activities contain classified or yet-to-be released content, please tick the box below and provide information about the embargo. We will respect all confidentiality requirements.

Phone number:

1. INCEPTION AND OVERVIEW

Provide an overview of the collaborative projects or programs, including year of inception and timeframe of the program. Articulate the problem or opportunity being addressed. Describe the objectives of the program, and how nominee selected collaborating partners, and how partnerships were formed.

Word limit: 300 words

2. INNOVATION

Outline any new approaches that were taken within partnerships, to meet the unique circumstances of the collaboration. Describe any challenges that were surmounted by employing innovative approaches. Detail how your program differs from others in the same field.

Word limit: 300 words

3. OUTCOMES AND IMPACT

Describe any economic, financial, social, educational, environmental or community benefits that have been achieved through the leadership of the nominee. Outline any changes in attitudes, practices and culture that have arisen from the nominee's leadership. Explain the collective significance of the work emerging from your individual collaborations.

Word limit: 600 words

4. COLLABORATIVE PARTNERS

Please submit the following information for all collaborative partners benefitting from the nominee's leadership. Elaborate on the notable outcomes arising from each partnership. Details for at least one project, program or organisation need to be supplied

Word limit: 300 words per collaborative partner

Name of organisation:

Name of key collaborator or collaborative department:

5. ADDITIONAL INFORMATION

Include any further promotional material that you feel will illustrate your activities. Upload links to YouTube, links to websites, links to published material, or add images or pdfs using the uploading function.

Word Limit: 300 words

6. LETTERS OF SUPPORT

Please provide 2 signed letters of support, one from a participating industry or community partner, and one from a participating partner from the Higher Education sector, each on official letterhead. Letters should be written by a senior figure familiar with the nominee's leadership in their field of work. Suitable signatories would be CEOs, upper level management, Vice-Chancellors, Deans or Heads of Departments. The letters should address special outcomes or stand-out features of the nominee's leadership. The letters need to be attached to the online application.

7. NOMINEE DETAILS

In the space below, include the nominee's full name including title and any post-nominal letters. These details will be used on a trophy should the nominee win in this category.
